**Montgomery Airport Authority Names Brittney Jones-Dabney as
Marketing and Communications Manager for Montgomery Regional Airport**

(Montgomery, AL) – The Montgomery Airport Authority (MAA) welcomes Brittney Jones-Dabney as the airport’s new Marketing and Communications Manager, effective February 14, 2022.

Dabney joins the Montgomery Regional Airport team, bringing a wealth of experience in public relations, journalism, community, and governmental relations. Most recently, Dabney served as the Public Information Specialist for the Alabama Department of Mental Health, beginning her tenure in 2020. Prior to that position, she served as the Communications and Marketing Specialist for Tuskegee University.

In her new role, Dabney will provide and direct the overall operations of the Airport Marketing Department to ensure the airport continues to meet the needs of its customers while creating and implementing new communications and marketing strategies.

“Ms. Dabney is a great addition to Montgomery Regional Airport,” said Wade A. Davis, Executive Director, “She will do an excellent job promoting the ease and flexibility of flying MGM with our future passengers. We are excited to have her join the MGM team!”

Dabney, a native of Montgomery, Alabama, is an Alabama Associated Press and Alabama Broadcasters Association ABBY-award nominated journalist. She graduated from Alabama A&M University with a bachelor’s in communication and a master’s degree in integrated marketing communications from West Virginia University.

The mission of the Montgomery Regional Airport (MGM) is to serve as a leading transportation hub gateway to the residents of the Alabama River Region and to the world by providing the best air airport experience to both our internal and external stakeholders.

Montgomery Regional Airport offers non-stop flights to Atlanta, Georgia (ATL); Charlotte, North Carolina (CLT); Dallas, Texas (DFW), and Washington, D.C. (DCA). MGM currently serves the region with daily flights by American and Delta Airlines. For more information on the airport, visit flymgm.com.
