Montgomery Regional Airport Set to Host Annual Statewide Airport Conference

(Montgomery, AL) – Montgomery Regional Airport (MGM) is proud to announce that it will be the esteemed host of this year's highly anticipated Aviation Council of Alabama (ACA) statewide conference. The event is scheduled to take place from Sunday, September 24 until Tuesday, September 26 at the Embassy Suites, located downtown Montgomery.

The annual airport conference is an annual gathering that brings together aviation professionals, industry experts, government officials, and stakeholders from across the state of Alabama to discuss and address pertinent issues in the aviation sector. This event serves as a valuable platform for knowledge exchange, networking, and collaboration, ultimately contributing to the advancement and enhancement of airport operations in the region.

"We are thrilled to be hosting this year's Aviation Council of Alabama Conference," said Wade A. Davis, Executive Director at Montgomery Regional Airport. "This conference presents a unique opportunity for professionals in the aviation industry to come together, share insights, and work towards collectively elevating the standards of our airports. We look forward to welcoming delegates from across the state and providing them with a conducive environment for productive discussions."

The conference agenda is set to feature a diverse range of topics including aviation safety, sustainable practices, technological advancements, and regulatory updates. Renowned speakers and panelists with extensive experience in the aviation industry will lead discussions, ensuring that attendees gain valuable insights and knowledge that can be applied to their respective areas of expertise.

"We are dedicated to showcasing Montgomery Regional Airport as a hub of innovation and excellence in the aviation sector," added Brittney Jones-Dabney, 2023 Conference Co-Chair and Marketing and Communications Manager at MGM. "Hosting the ACA Conference is a testament to our commitment to advancing the industry and contributing to the growth of aviation in our region."

In addition to the engaging conference sessions, participants will have the chance to explore various attractions throughout the River Region, including the newest adventure attraction Montgomery Whitewater and tour the Hyundai Motor Manufacturing Alabama facilities.
