### **MGM Airport hosts Pop-Up TSA PreCheck® Enrollment Event**

The Montgomery Regional Airport (MGM) will host a Pop-Up TSA PreCheck® enrollment event in collaboration with IDEMIA, a TSA PreCheck authorized enrollment provider. From Monday, July 22 to Friday, July 26, travelers can enroll at the airport's Intermodal Building at 4445 Selma Highway.

The program, open to U.S. citizens, nationals, and lawful permanent residents, offers a convenient enrollment process. Enrolling is a breeze, especially if you complete the application online beforehand. In-person enrollment is a straightforward process requiring you to provide proof of identity, citizenship, fingerprints, and a photo. IDEMIA offers TSA PreCheck enrollment for \$78, and if approved, you'll receive a five-year membership with the program, ensuring a smooth and expedited security experience for your future travels.

Following the in-person enrollment appointment, most applicants receive their Known Traveler Number (KTN) in about three to five days. The KTN number must be added to flight reservations to enjoy TSA PreCheck benefits.

TSA PreCheck was created in December 2011 to provide low-risk travelers with a smoother airport security experience. It's an excellent option for travelers looking to save time. Enrolled members do not need to remove shoes, laptops, 3-1-1 liquids, belts, or light jackets. They also access TSA PreCheck dedicated screening lanes nationwide at over 200 participating U.S. airports.

"We are thrilled to host our annual TSA PreCheck event at MGM Airport, offering our passengers the convenience and efficiency of expedited security screening," said Marketing and Communications Manager Brittney Jones-Dabney. "This event underscores our commitment to enhancing the travel experience for our community. By providing easy access to TSA PreCheck enrollment, we aim to make air travel smoother and more enjoyable for everyone. We encourage all our travelers to use this opportunity to streamline their journey."

### **About IDEMIA Identity & Security (I&S) North America**

IDEMIA I&S North America is a leader in identity security and authentication services to governments and private companies, operating in North America. Our mission is to Unlock the World, Make It Safer

– helping people access what matters most, more quickly, more safely, and more securely, in both the physical and the digital worlds. Our best-in-class technology helps to authenticate and secure physical and digital transactions. IDEMIA is recognized by the National Institute of Standards (NIST) as a top-ranking participant in the Institute’s passenger facilitation simulation testing as well as in its regular Face Recognition Vendor Test (FRVT) rankings, reinforcing the trustworthiness and reliability of IDEMIA’s facial recognition solutions for government and consumers alike.

### **About the Montgomery Regional Airport**

Montgomery Regional Airport (MGM) is a key gateway to the capital city of Alabama, connecting passengers to daily flights offered by American Airlines and Delta Airlines to Atlanta, Georgia (ATL); Charlotte, North Carolina (CLT); Dallas-Fort Worth, Texas (DFW), and Washington, D.C. (DCA) and endless connections worldwide. With a commitment to excellence in customer service, safety, and community engagement, MGM strives to provide a seamless and enjoyable travel experience for all passengers.
