Montgomery Regional Airport Announces Third Annual MGM Runway 5K

Montgomery, Ala. – Montgomery Regional Airport is excited to announce the return of the third annual MGM Runway 5K, taking place on Saturday, May 30, 2026. The unique community event gives participants the rare opportunity to run directly on the airport airfield while supporting a meaningful cause. Proceeds from this year's race will once again benefit River Region United Way, continuing a partnership focused on giving back to the local community.

New this year, participants will experience an updated race route that offers even closer views of the airport's airfield and runway environment, creating a one-of-a-kind race experience unlike anything else in the River Region.

"The MGM Runway 5K continues to grow each year, and we're excited to welcome the community back for another unforgettable experience at the airport," said Loyd Jenkins, Executive Director of Montgomery Regional Airport. "This event is not only about fitness and fun — it's about bringing people together while supporting organizations that make a real difference throughout our region."

"This race has truly become one of my favorite events to organize because it allows us to connect with the community in such a unique way," said Brittney Jones-Dabney, Communications and Marketing Manager at Montgomery Regional Airport. "From the updated race route to the incredible community support we continue to receive, we're excited to give participants an experience they won't find anywhere else while supporting River Region United Way."

The MGM Runway 5K welcomes runners, walkers, families, aviation enthusiasts, and community supporters of all ages and fitness levels. Participants can expect music, sponsor activations, giveaways, and exclusive access to portions of the airport not typically open to the public.

"We're grateful to once again serve as the beneficiary of this incredible event," said Jannah Bailey, Chief Executive Officer for River Region United Way. "Support from the MGM Runway 5K helps us continue funding programs and services that positively impact individuals and families across the River Region."

Community members are encouraged to register soon as race day approaches. Volunteer opportunities and sponsorship opportunities are also still available.

Registration information can be found at:
