MGM Airport Goes Pink for Breast Cancer Awareness Month

MONTGOMERY, AL — Montgomery Regional Airport (MGM) is honoring Breast Cancer Awareness Month this October with initiatives that celebrate survivors, support those currently facing breast cancer, and remember loved ones who have passed away.

Building on last year's community support, MGM is inviting travelers, employees, and neighbors to participate in its Pink Power Honor Wall and annual pink flag campaign benefiting the JOY to Life Foundation.

Located inside the terminal, the Pink Power Honor Wall offers an opportunity to honor, remember, and celebrate someone special in the breast cancer community. Last year, the wall featured 102 ribbons, each representing a meaningful tribute and a reminder of the strength of those touched by breast cancer.

MGM's 2025 pink flag campaign also resulted in 49 flags sold and $261.60 raised to support breast health services through the JOY to Life Foundation. Beyond raising funds, the campaign gave participants a way to recognize survivors, encourage those undergoing treatment, and preserve the memory of loved ones.

"At MGM, we believe airports are more than places of travel—they are gateways to community," said Brittney Jones-Dabney, Communications and Marketing Manager at MGM. "Each ribbon and flag represents someone whose story matters. Through these tributes, we hope to bring our community together, encourage awareness, and support access to breast health services."

This October, MGM is again partnering with the JOY to Life Foundation to create a Field of Pink Flags at the airport's main entrance. The display serves as a visible expression of hope, remembrance, and community support.

Community members can purchase a flag in honor or memory of someone special through MGM's 2026 Pink Flag Campaign. Funds raised will help support breast health services.

MGM invites the Montgomery community to join these efforts throughout October by adding a tribute to the Honor Wall, purchasing a pink flag, and helping spread awareness about the importance of early detection.

Together, we can honor the fighters, celebrate survivors, and remember those we have lost.

About Montgomery Regional Airport

Montgomery Regional Airport (MGM) is a key gateway to Alabama's capital city, connecting passengers to daily flights offered by American Airlines, Delta Air Lines, and United Airlines to major hubs including Atlanta, Georgia (ATL); Charlotte, North Carolina (CLT); Dallas-Fort Worth, Texas (DFW); Washington, D.C. (DCA); and now Houston, Texas (IAH)—offering endless connections worldwide. With a commitment to excellence in customer service, safety, and community engagement, MGM continues to elevate the travel experience while driving regional connectivity and economic growth.
